

Employee Assistance Program

LEGAL FORMS & GUIDANCE

LEGAL FORMS

Downloadable and customizable legal forms are available online. Navigate to the member website and enter your company code to access legal forms and much more.

LEGAL GUIDANCE

Free 30-minute consultation with an attorney on common legal concerns such as:

- Understanding your legal rights and options
- Reviewing contracts and legal documents
- Family and domestic matters
- Housing/landlord-tenant issues
- Wills, trusts, estate planning, and probate
- Identity theft and fraud
- Consumer and financial legal questions

Receive a 25% discount on any services moving forward!

This excludes any legal concerns regarding your employer.

Easy access to vital legal information as well as online resources that can help you better understand your circumstances and all options that may be available to you. Get connected with a professional that can help you move forward.

When a legal issue arises, like probate or an instance of identity fraud, it disrupts your life. It can create substantial stress for you and your family members. To help minimize the impact, your employee assistance program will assist with managing the many complexities of these and many other matters. This service can save you time, while providing valuable information and peace of mind.
