

Secure The Wheel

A Neely Employee Assistance Program **BEGIN.**
Comprehensive Service

Our Program

The Neely Employee Assistance Program (NEAP) is a benefit offered to employees to support their mental health and create a positive working environment.

NEAP cares about your employees and how their decisions can impact your company and their families, so offer a wide range of benefits to help reduce stress, improve morale, increase productivity, reduce turnover rates and FMLA claims, and improve your company's bottom line.

Secure The Wheel

NEAP will reimburse EAP participants for cab fare (rideshare of their choice) in the event they are unable to operate their vehicle.

Impairment to drive could be related to alcohol, substance, or severe emotional condition.

This program is only available to employees and family members.

The service is available once per year per participant, with a maximum reimbursement of \$50.

Note: The following pay items are not reimbursable: tips, fees, or surcharges.

What's Included

- ✓ Emergency Cab Fare Reimbursement
- ✓ Taxi or Ride Share of Your Choice
- ✓ Employee and Family Members
- ✓ Up To \$50 Reimbursement

Excludes Tips, Fees, or Surcharges

Stressed-out employees do not perform well, and this impacts your bottom line.
