

NEELY EAP

Supporting People. Strengthening Workplaces.

**CEDAR
PARK**
TEXAS

More Than Counseling. A Complete Well-Being Solution.

Neely EAP connects employees and families with confidential care, practical work-life resources, engaging professional development, and digital wellness tools - whenever support is needed.

1 EAP & Counseling Services

Responsive, confidential support for employees and eligible family members.

24/7/365 access | In-the-moment support | In-person, phone and video counseling | Crisis intervention | Critical incident response | Supervisor consultations | Legal and financial resources

2 Work-Life & Whole-Person Wellness

Real-life resources for everyday responsibilities and well-being.

Child and elder care | Parenting and family needs | Daily living and pet support | Nutritional wellness | Life coaching | AWARE mindfulness | Women's health and menopause awareness

3 Training & Professional Development

Practical, engaging learning that builds healthier organizations.

Leadership and supervisor development | Workplace communication | Mental health and resilience | Conflict resolution | Stress and burnout prevention | Women's health and menopause in the workplace | Live, onsite and online learning

4 Digital Wellness & Access

Flexible pathways to support - at work, at home, or on the go.

Balancy mobile app | Fingertips digital tools | Member website | LiveCONNECT messaging | Computerized CBT | Assessments and resources | On-demand seminars | Newsletters and orientation materials

FEATURED FOCUS / Women's Health & Menopause

Supportive education and workplace conversations about perimenopause, menopause, stress, sleep, emotional well-being, and work-life balance - supported through training and appropriate EAP resources.
